Manager's Corner -

AUGUST 2025

With the summer rains upon us, the community is looking pretty good. Please keep in mind that even though your lawn may be green, that green may not be actual grass. Weeds turn green, too.

We will be starting the budget process for 2026 shortly. We will be reviewing expenses through June 30 and anticipated expenditures throughout the remainder of the year. We will also be contacting the various utility companies and contract vendors to determine what their rates will be for 2026. The insurance premiums for 2025 were flat so we hope that will also be the case for 2026.

Some Fun Events that Happened in the Month of August

Enjoy the month of August. Here are some interesting facts about holidays, flowers, and birthstones.

1. Birthstone:

The predominant birthstone for August is peridot, which is also thought to represent power, healing, and defense against evil and nightmares.

Moreover, it is considered to provide peace and joy to the wearer. August birthdays are seen as fortunate due to the luckiness of the peridot.

2. Flower:

Gladiolus and poppies, two birth flowers, are associated with August.

The gladiolus is a vibrant and multi-coloured flower that represents generosity, the strength of character, and deep sincerity. In contrast, the poppy symbolizes imagination, eternal sleep, and oblivion.

3. Zodiac signs

Leo and Virgo are the August zodiac signs in astrology. The astrological sign of Leo is in effect from July 23 through August 22, while Virgo is in effect from August 23 to September 22.

"The Original Name for August in Anglo-Saxon Times

August was referred to as "weed month" during the Anglo-Saxon period and is directly translated as such today.

This name was given to the month due to the rapid growth of weeds and other plants in the northern hemisphere during this time.

Quirky Celebrations in August

- August is home to several unusual celebrations, and here are a few of our favorites.
- On August 3rd, people across the nation celebrate National Watermelon Day.
- August 10th is designated as National Lazy Day.
- Another notable celebration is on August 16th, known as National Roller Coaster Day.
- Finally, August 28th is dedicated to all things fancy, as it's National Bow Tie Day.

Water Wisely

Reminder to adjust your irrigation timer settings to meet the local watering restrictions. Additionally, it is important to adjust your sprinkler heads and make sure they are properly installed. (See below Rules & Regulations, Section 5(a), Lawn Maintenance)

- 5(a), Every home must have a grass lawn and an approved underground water sprinkling system installed and in good working order. Sprinkler heads must be installed at ground level or lower than the cement donuts, if used. Minimum of 4" pop-ups must be installed. Systems must remain on at all times. Excess water is not allowed to run unnecessarily onto the roadway. Lawn mowing, lawn fertilization and lawn insecticide applications are provided by the Association, as well as edging and trimming around homes and trees. Lessees are responsible for watering their lawns and plants. An exterior well water faucet has been provided for use in watering lawns and plants. Lessees will be allowed to sprinkle their lawns with hand-held sprinklers. When watering lawns and plants, use well water only. Metered City water is not to be used. Sprinkler systems should be used on assigned days, as per Southwest Florida Water Association District (SWFWD) regulations. The Association is not responsible for damage to any sprinkler system that the Lessees installs or maintains. Sprinkler Systems are not to be worked on or tested on days when lawns are mowed.

Watering is limited to the following hours to minimize losses from evaporation:

- Morning Hours: 12:01 a.m. to 8:00 a.m.
- Evening Hours: 6:00 p.m. to 11:59 p.m.

Watering is prohibited from 8:00 a.m. – 6:00 p.m. especially on Fridays due to the lawn maintenance company being on site to perform the lawn service. If your irrigation timer is not set for the proper day and time and is running when the lawn maintenance company is on site, this may result in the system being turned off by the association so the lawn maintenance company can proceed with their scheduled service.

If you should have any questions as to the day and time that your irrigation system should run, please contact the Tarpon Shores office at 727-938-2600.

Special Needs Evacuation Program Registration

Page | 1

Program Overview: The Pinellas County Special Needs Evacuation Program provides transportation and sheltering assistance to Pinellas County residents with certain medical needs or with challenges accessing emergency shelters. To do this, Pinellas County Emergency Management (PCEM) maintains a list of Pinellas County residents who apply for and are eligible for free transportation assistance and/or special needs sheltering. This list enables us to identify and support individuals who need assistance during an emergency evacuation.

Program Eligibility: You must meet at least one of the criteria below to qualify for the special needs program:

- You require transportation assistance to a shelter because you do not have personal transportation or access to other available transportation means.
- You require assistance with, but not limited to, reliance on supplemental oxygen, life-sustaining devices powered by electricity, mobility challenges, medication assistance, dependence on dialysis, or cognitive conditions such as Alzheimer's or dementia.

How to Register: To register, complete the form on page 2 and mail or fax it to Pinellas County Emergency Management (**mailing address and fax number are on the bottom of page 2**).

For those who are eligible, you will receive a confirmation letter and instructions on what to expect if the program is activated and you may need to evacuate. Annual confirmation letters are sent in May. If you register after May 1st, the letters are sent out biweekly through November 30th.

Note: If you do not need transportation assistance and do not meet medical requirements for special needs sheltering, your form will not be entered into our Special Needs Evacuation Program. We will send you a message via phone, text and email to inform you that you were not eligible.

Evacuating with Pets: If you require a special needs shelter and are evacuating with a pet, you will be transported to a special needs shelter where your pet(s) will be handed over to and cared for by Pinellas County Animal Services. Evacuees with pets, who only need transportation assistance and do not require a special needs shelter or medically managed facility, will be transported to a pet-friendly shelter. In these shelters, evacuees are responsible for caring for their own pets. Registrants who need transportation to a medically managed facility by ambulance will have their pets picked up by a Pinellas County Animal Services representative.

Service animals are welcome in all shelters. Registration is not required for a service animal.

For more information, please visit pinellas.gov/special-needs or call us at (727) 464-3800.

We strongly encourage you to sign up for **Alert Pinellas** at pinellas.gov/alert. Alert Pinellas provides free emergency notifications about severe weather, boil water notices, evacuations, and more.

GUIDELINES FOR MAKING A REQUEST FOR IMPROVEMENTS, CHANGES OR ADDITIONS.

All requests to make changes, additions or alterations to or around the outside of your home must be submitted to the office for review.

This form and any accompanying paperwork must be turned into the office no less than 2 weeks prior to the start of work.

Requests must be on the front of this form which asks the following:

1. Written description of exactly what is to be done.
2. Drawing of proposed work needs to be attached.
3. Drawing should show position of home and any existing improvements on lot.
4. Description of materials to be used including style, color, etc.
5. Proposed construction timetable with proposed completion date.
6. Improvements must not infringe, restrict, impede, hinder, obstruct or be in conflict with neighbor's property, common area and set-backs.
7. All improvements must be consistent in color and style of existing dwelling.
8. Homeowner is responsible for locating and marking underground utilities. Contact Sunshine Dig-Safe at phone number 811.
9. Homeowner is responsible for any damage to neighbor's property, common areas, and all underground utilities that have been located/marked or not located/marked.

These guidelines are not inclusive of homeowner responsibilities regarding maintaining or improving your home. Please refer to the Tarpon Shores Rules and Regulations for detailed information.

Project working hours: Monday – Saturday 8 A.M. to 6 P. M. NO SUNDAYS

Plumbing working hours: Monday – Thursday 8 A.M. to 2 P.M.

Tarpon Shores is not required to provide City of Tarpon Springs permits. All work that requires a permit (City or County) is the full responsibility of the homeowner and a copy of the permit must be turned into the office.

The jobsite must be kept clean and orderly. All work materials must be removed immediately following completion of the job.
